Bailey's In, On, Under, Above, Near and Far

Bailey's soft toy friend Toy Bailey (TB) came for a visit and we took photos of him showing In, On, Above, Under, Near and Far in the garden.

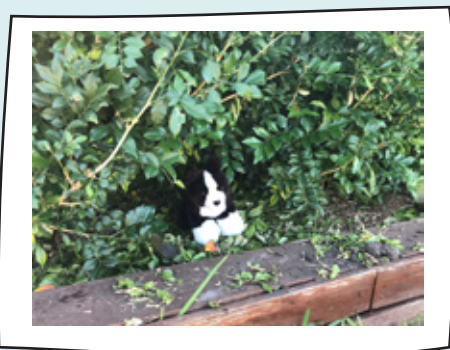

High above the garden TB is hiding.

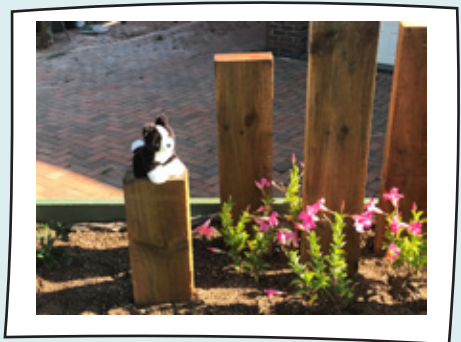

TB is sitting in the garden.

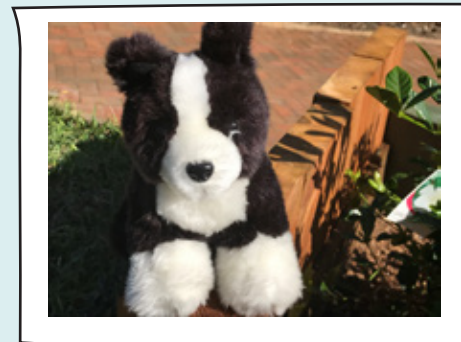

Far away from the camera TB is in the garden.

I can see TB peering out from under the bush.

TB is on the piece of wood.

TB is near the camera.

Create your own In, On, Under, Above, Near and Far pictures. Take some photos or draw pictures of one of your toys showing In, On, Near, Far, Above and Under. Write a sentence under each one or even turn the pictures into a story.
