# TRANSPORT MAZE

Can you find the way through the three land, air and sea mazes for these different kinds of transportation?

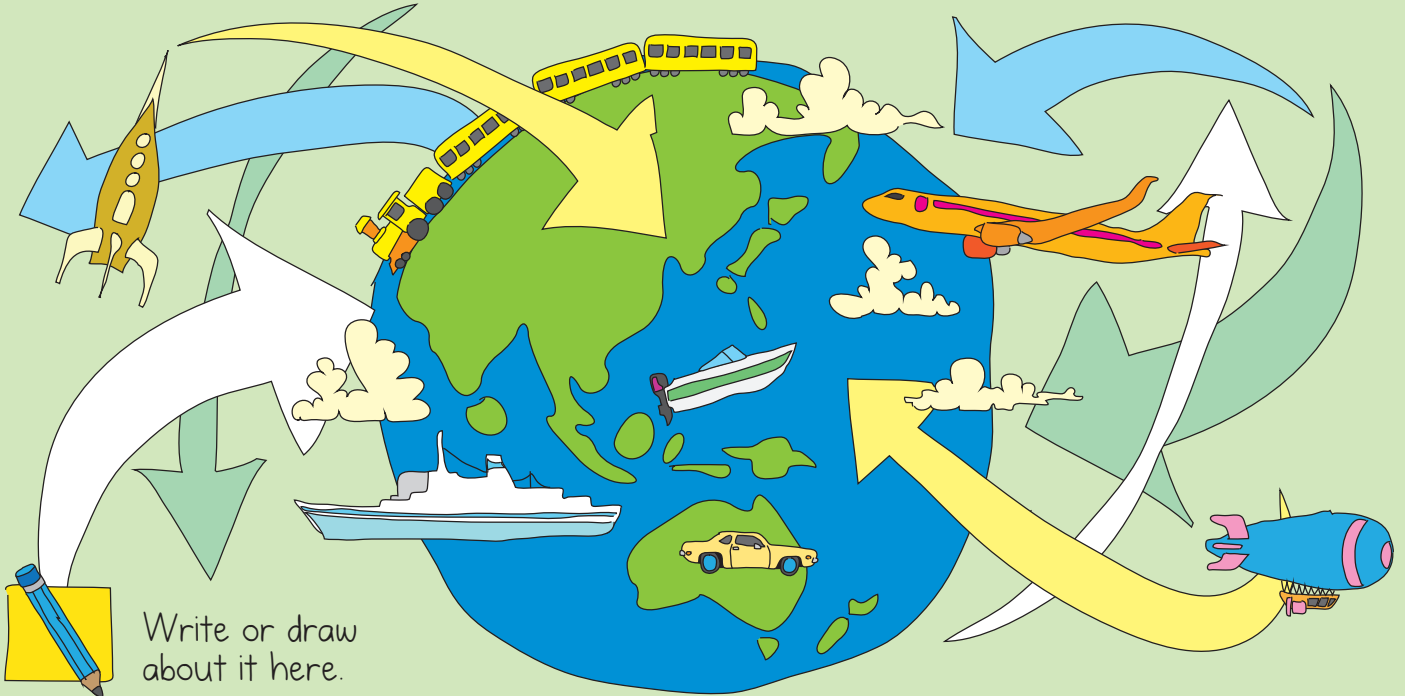

Draw a line to mark their path. See if you can name all the types of transportation too.

Imagine you are going on a holiday, anywhere in the world.

Write or draw about it here.

Where would you go?

How would you get there?

What kind of transport would you take?

What would you see along the way?
