

# INVENT AN OCEAN SUPERHERO

My ocean superhero's name is...

Imagine you could create an ocean-protecting superhero. What would they look like? What would they wear?

Where would they live?

What would their superpowers be?

How would they protect the ocean from pollution and dangers? Write a story about your ocean superhero here.

Who would their friends be?

## DID YOU KNOW?

Over 70% of the world is ocean. From outer space the Earth looks like a blue planet.
